Professor Cristina Amon
Dean, Faculty of Applied Science and Engineering

Dear Dean Amon:

I am writing to ask for your continued support in encouraging the participation of members of the Faculty of Applied Science and Engineering (APSC) in University governance. I have attached, for your information, a list of APSC representatives who are currently serving on Governing Council governance bodies. We greatly appreciate the contributions of the APSC members and trust that they have found their experiences to be valuable. It is our hope that academic divisions will benefit from members' increased insight into governance issues and that these members will mentor others in the community who might one day serve at various levels of governance.

As you know, there are a number of opportunities for members of the University to become engaged in governance as elected or appointed board or committee members.

Elected Positions

Nominations for the following positions will be accepted from **Friday, January 9, 2009 at 12:00 noon until Friday, January 23, 2009 at 12:00 noon:**
